

# LITTLE ROOKIES HEALTH POLICY

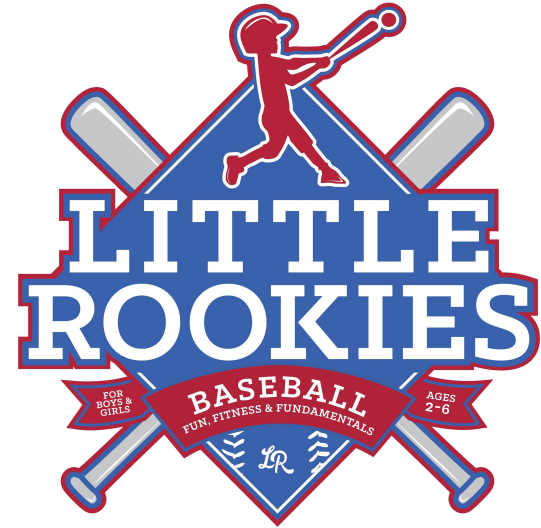

In response to COVID-19.

—

We are eager to get back onto the baseball field!

Due to the vast differences from state to state and the high number of vaccinated teammates, we have made some adjustments to our COVID policy.

Little Rookies acknowledges that your choice to wear or not wear a mask is your responsibility, but please be courteous of others and their decision.

# TRIPLE PLAY APPROACH

## FIELDS & FACILITIES

Upon entry of the facility, attendees are encouraged to wash their hands

Facilities will typically have sanitation available for use, but it is not guaranteed

Facilities will be encouraged to limit attendance

Outdoor fields or facilities are not requiring masks or sanitation

## COACHES

Equipment will be sanitized before all training sessions

Coaches are encouraged to wear masks at indoor facilities, but they are not required to wear masks for outdoor classes

Class sizes are not limited, and up to 10 or more players could be participating at one time

## PLAYERS & PARENTS

Please stay home if your child and/or family members have been recently sick

Children and Parents may optionally wear masks.

You can optionally bring your own equipment (Bat, Baseball, and Large Ball) or use our sanitized equipment.

Parent involvement is highly encouraged to limit contact

# THANK YOU!
